

**DEPARTMENT 13**  
**VEGETABLES**  
 Jan Moore, Superintendent

**RULES & REGULATIONS GOVERNING VEGETABLES**

1. In selecting vegetables for exhibition, choose such specimens that would bring the highest market price. Do not select the largest. Select the medium size specimens. If at all possible do not mix varieties. **Must be home-grown.**
2. The following factors are generally used by an expert vegetable judge.
  - a. Trueness to variety type. Pick specimens from one variety.
  - b. Uniformity in shape, size and color.
  - c. Be sure to pick out the perfect specimen, then select others as similar as possible. Never mix specimens of different maturity.
  - d. Protect from dirt, disease, infection and mechanical damage. Select specimens that are perfect and show no blemishes of any kind.
  - e. Conditions and maturity. Be sure that exhibits are of high quality.
  - f. Potatoes should not be washed. Remove soil by using a soft cloth or brush.
  - g. Tomatoes should have stems removed. Carrots, beets, etc., should have tops (leaves) removed from vegetable leaving about 2 inches of stems.
3. Read premium material carefully following all rules and regulations. If an entry calls for 5 specimens, be sure to enter that number; no more or less. Any entry that has more or less than stated, will not be judged.
4. Display on a paper or styrofoam plate, unless otherwise stated.

**Entry Fee: \$0.30**
